Accreditation Requirements.

- 1) at least three years in the accredited position (for the entire company or a distinct Business Unit) of a current or recent company (or two years in combination with an Advanced Management Program below).*
- 2) peer letters from two other department heads or business unit leaders confirming competence in strategically supporting their initiatives,
- 3) letters from two subordinates confirming competence in managing a team with high morale,
- 4) at least two years of completed membership in good standing to include having participated in or watched at least 6 meetings of top peers discussing best practices yearly in real time or through the member portal afterward, and
- 5) at least 24 documented total hours yearly of directly relevant continuing education over the last two years (our past programs can be used to meet a portion of this requirement).

* Can be reduced to 2 years with optional completion of a top 25 Advanced Management Program or comparable below.
